

A long-standing tradition at CBE is to encourage members to put our efforts at self-improvement in writing. By naming some of our past transgressions (and future commitments) below, placing them in the communal *Al Chet* Box, having them read aloud during Neilah services towards the end of Yom Kippur, and then setting them ablaze – we hope that our mutual witnessing will foster the best of inscriptions in the Book of Life and Blessing in the coming year.

If you do NOT want your “transgressions” read aloud, please check here:
